After at least 50 qualified electors are residing in a district, on written request of at least five of those electors, the board shall designate a meeting place and hold meetings within the district. If no suitable meeting place exists inside the district, the board may designate a meeting place outside the district that is located not further than 10 miles from the boundary of the district. On the failure, after a request is made of the board to designate the location of the meeting place within the district or not further than 10 miles from the boundary of the district, five electors may petition the Texas Commission on Environmental Quality ("the TCEQ") to designate a location. If the TCEQ determines that the meeting place used by the district deprives the residents of a reasonable opportunity to attend district meetings, the TCEQ shall designate a meeting place inside or outside the district which is reasonably available to the public and require that the meetings be held at such place.

3. Consider and take action regarding General Manager's and Operator's Report.
